

The Friends of the Killeen City Library System is a non-policy making and non-profit organization. Our mission is to promote the interest and welfare of the Killeen City Library System as an educational and cultural asset to the citizens of Killeen and the surrounding communities. Funds collected through annual dues and used book sales are used to sponsor programs and events such as the Texas Reading Club for children, staff development at state and local seminars, and the purchase of items for the library. Please join us in support of this vital asset to our community - *your public library*.
